

# FINAL BILL REPORT

## ESB 5041

---

---

**C 5 L 10**  
Synopsis as Enacted

**Brief Description:** Encouraging state contracts with veteran-owned businesses.

**Sponsors:** Senators Kilmer, Swecker, Hobbs, Shin, Kauffman, Franklin, Marr, Rockefeller, Haugen, Eide, Kastama and McAuliffe; by request of Joint Committee on Veterans' and Military Affairs.

**Senate Committee on Government Operations & Elections**  
**House Committee on State Government & Tribal Affairs**

**Background:** State agencies must use a competitive bidding process when purchasing goods and services. Agencies must perform a public solicitation for bidders and award contracts to the lowest responsible bidder. Agencies are authorized, however, to use an alternative process for contracts worth less than \$35,000. With few exceptions, agencies must solicit three bids from vendors on a list of pre-approved vendors maintained by the Department of General Administration. For these contracts, an agency may consider other factors besides price and is not required to award the contract to the lowest bidder.

The Office of Minority & Women's Business Enterprises (OMWBE), for example, assists small businesses in Washington owned by minorities, women, and the socially and economically disadvantaged. OMWBE's services include certifying minority and women-owned businesses, and collecting recorded information from state agencies. State agencies must report to OMWBE what percentage of their goods and services are purchased from minority and women-owned businesses.

In 2007 the Legislature enacted a bill requiring the Department of Veterans Affairs (DVA) to develop and maintain a list of veteran-owned businesses on the DVA website. The purpose of the bill is to mitigate economic impacts incurred by veteran-owned businesses as a result of military service. To qualify as a veteran-owned business, the business must be 51 percent owned and controlled by a veteran or an active or reserve member in any branch of the armed forces of the United States, including the National Guard, Coast Guard, and Armed Forces Reserves.

**Summary:** A statewide program is created to increase state procurement contracts with veteran-owned businesses. Agency duties to implement the program are as follows:

DVA. DVA must:

---

*This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.*

- certify veteran-owned businesses;
- maintain a list of certified veteran-owned businesses on its public website;
- collaborate with other state agencies in implementing outreach to veteran-owned businesses;
- collect information from state agencies tracking goods and services contracts awarded to veteran-owned businesses;
- consult agencies to determine what specific information they must report to the DVA; and
- report to the Legislature on the progress of the program by October 2012, and every two years thereafter.

Department of General Administration (GA). GA must identify DVA-certified veteran-owned businesses in its vendor registry for state agency purchasing.

All State Agencies. State agencies are encouraged to award 3 percent of all procurement contracts under \$35,000 to veteran-owned businesses. In addition, state agencies must:

- perform outreach to veteran-owned businesses to increase opportunities for veterans to provide goods and services to the state; and
- work to match agency procurement records with the DVA's database of certified veteran-owned businesses to establish how many procurement contracts are being awarded to those businesses.

**Votes on Final Passage:**

Senate	48	0
House	94	0

**Effective:** June 10, 2010
