SENATE COMMITTEE ON HUMAN SERVICES & CORRECTIONS

Staff: Jennifer Strus (786-7316)

Background: A number of children who have been in foster care and return home are forced for many reasons to return to foster care. The Department of Social and Health Services (DSHS) tries to place the child in an appropriate foster home which is sometimes not a relative nor the home in which the child had been previously placed.

Summary of Bill: When a child is returned to foster care, DSHS must place the child with a relative. If, after due diligence, DSHS cannot locate an appropriate relative or the relative is unavailable or inappropriate, DSHS must place the child with the foster family with which the child had been previously placed, unless the placement would not be in the child's best interest.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

OTHER: The department would prefer adding language to clarify that there would be preference to place in a former foster home if the home is available and the foster parents are willing to receive the child.
