SENATE COMMITTEE ON HUMAN SERVICES & CORRECTIONS

Majority Report: That Substitute Senate Bill No. 6337 be substituted therefor, and the substitute bill do pass.

Signed by Senators Hargrove, Chair; Regala, Vice Chair; Stevens, Ranking Minority Member; Brandland, Carrell, Kauffman and McAuliffe.

Staff: Shani Bauer (786-7468)

Background: When an inmate receives funds while incarcerated, with limited exception, those funds are subject to a 10 percent deduction to be placed in the inmate's personal inmate savings account. Funds in the account, together with any accrued interest, are only available to the inmate:

1. at the time of the inmate's release from confinement;
2. prior to the inmate's release from confinement in order to secure approved housing; or
3. when the Secretary determines that an emergency exists for the inmate.

Except for at the time of release when the inmate is entitled to all the funds in his or her account, the secretary must determine the amount of funds to be made available to the inmate.

Summary of Substitute Bill: During incarceration funds in a personal inmate savings account may be made available to an inmate to pay for accredited postsecondary educational expenses. Prior to release, inmate savings funds may be used for department approved reentry activities that promote successful community reintegration. The Secretary must

establish guidelines for the release of funds from an account giving consideration to the inmate's need for resources at the time of his or her release from confinement.

Obsolete language requiring the Department of Corrections (DOC) to expand correctional industries and report by stated deadlines is removed.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

Effective Date: The bill takes effect on July 1, 2010.

Staff Summary of Public Testimony on Original Bill: PRO: This is a good bill, but it might make sense to broaden the language to allow a person to access funds for other things such as treatment or union dues so an offender can get their tools back on day one. The request for this bill was the result of an offender who was prohibited from using funds in his account to pay for correspondence courses from an accredited university. The offender should be allowed to pay for the education course if the school is accredited, without the need for approval by the Secretary.

Persons Testifying: PRO: Eldon Vail, Secretary, DOC; Ari Kohn, Post-Prison Education Program.
