State of Washington 61st Legislature 2009 Regular Session

**By House Health Care & Wellness (originally sponsored by
Representatives White, Rodne, Cody, and Kenney)**

READ FIRST TIME 02/11/09.

1 AN ACT Relating to creating a school-based influenza vaccination
2 pilot program; creating a new section; and providing an expiration
3 date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The department of health and the office
6 of the superintendent of public instruction shall jointly establish a
7 school-based influenza vaccination pilot program in one urban school
8 district and one rural school district. Due to the distinct
9 indications, contraindications, and modes of administration, both
10 killed injected vaccine and live attenuated nasal vaccine shall be used
11 in the pilot program. Parents shall be given the choice of which type
12 of vaccine their child receives in order to help assure maximum
13 participation.

14 (2) The department of health shall convene a working group to plan
15 the school-based influenza vaccination pilot program established under
16 this section. The working group shall include representatives of:

17 (a) The Washington state chapter of the American academy of
18 pediatrics;

19 (b) The Washington academy of family physicians;

1 (c) Each school district in which the pilot program operates;

2 (d) The office of the superintendent of public instruction; and

3 (e) The state medicaid medical director.

4 (3) Not later than January 1, 2011, the department of health and
5 the office of the superintendent of public instruction shall submit to
6 the governor, and the appropriate committees of the senate and house of
7 representatives a jointly written report containing the results and the
8 recommendations of the department and the office to continue, expand,
9 or terminate the school-based influenza vaccination pilot program.

10 (4) The department of health and the office of the superintendent
11 of public instruction may seek, receive, and spend money received
12 through an appropriation, grant, donation, or reimbursement from any
13 public or private source to implement the school-based influenza
14 vaccination pilot program.

15 NEW SECTION. **Sec. 2.** This act expires July 1, 2011.
