- 5 **Sec. 1002.** RCW 9A.08.010 and 1975 1st ex.s. c 260 s 9A.08.010 are each amended to read as follows:
 - (1) Kinds of Culpability Defined.
- 8 (a) INTENT. A person acts with intent or intentionally when he <u>or</u>
 9 <u>she</u> acts with the objective or purpose to accomplish a result which
 10 constitutes a crime.
- 11 (b) KNOWLEDGE. A person knows or acts knowingly or with knowledge 12 when:
- 13 (i) he <u>or she</u> is aware of a fact, facts, or circumstances or result 14 described by a statute defining an offense; or
 - (ii) he <u>or she</u> has information which would lead a reasonable ((man)) <u>person</u> in the same situation to believe that facts exist which facts are described by a statute defining an offense.
 - (c) RECKLESSNESS. A person is reckless or acts recklessly when he or she knows of and disregards a substantial risk that a wrongful act may occur and his or her disregard of such substantial risk is a gross deviation from conduct that a reasonable ((man)) person would exercise in the same situation.
 - (d) CRIMINAL NEGLIGENCE. A person is criminally negligent or acts with criminal negligence when he <u>or she</u> fails to be aware of a substantial risk that a wrongful act may occur and his <u>or her</u> failure to be aware of such substantial risk constitutes a gross deviation from the standard of care that a reasonable $((\frac{man}{man}))$ person would exercise in the same situation.
 - (2) Substitutes for Criminal Negligence, Recklessness, and Knowledge. When a statute provides that criminal negligence suffices to establish an element of an offense, such element also is established if a person acts intentionally, knowingly, or recklessly. When recklessness suffices to establish an element, such element also is established if a person acts intentionally or knowingly. When acting knowingly suffices to establish an element, such element also is established if a person acts intentionally.

p. 5 SB 5038

(3) Culpability as Determinant of Grade of Offense. When the grade or degree of an offense depends on whether the offense is committed intentionally, knowingly, recklessly, or with criminal negligence, its grade or degree shall be the lowest for which the determinative kind of culpability is established with respect to any material element of the offense.

- (4) Requirement of Wilfulness Satisfied by Acting Knowingly. A requirement that an offense be committed wilfully is satisfied if a person acts knowingly with respect to the material elements of the offense, unless a purpose to impose further requirements plainly appears.
- **Sec. 1003.** RCW 9A.76.010 and 2001 c 264 s 4 are each amended to 13 read as follows:

While there are in effect regulations under this section relating to a color additive or an exemption with respect to such additive a food shall not, by reason of bearing or containing such additive in all respects in accordance with such regulations or such exemption, be considered adulterated within the meaning of clause (1) of RCW 69.04.210.

(2) The regulations promulgated under section 706 of the Federal Food, Drug and Cosmetic Act, as of July 1, 1975, prescribing the use or limited use of such color additive, are hereby adopted as the regulations applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to the federal regulations. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe therein the conditions under which a color additive may be safely used including exemptions for experimental purposes. Such a regulation may be issued either upon the director's own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such a regulation will not be detrimental to the

p. 25 SB 5038

public health. If the data furnished by the petitioner is not sufficient to allow the director to determine whether such a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such a regulation.

Sec. 2071. RCW 35.36.010 and 1965 c 7 s 35.36.010 are each amended to read as follows:

34 The mayor, city comptroller and city clerk of every city of the

first class may each severally designate one or more bonded persons to affix his <u>or her</u> signature to any bond or bonds requiring his <u>or her</u> signature.

If the signature of one of these officers is affixed to a bond during his <u>or her</u> continuance in office by a proxy designated by him <u>or her</u> whose authority has not been revoked, the bond shall be as binding upon the city and all concerned as though the officer had signed the bond in person.

This chapter shall apply to all bonds, whether they constitute obligations of the city as a whole or of any local improvement or other district or subdivision thereof, whether they call for payment from the general funds of the city or from a local, special or other fund, and whether negotiable or otherwise.

Sec. 2072. RCW 35.36.050 and 1965 c 7 s 35.36.050 are each amended to read as follows:

A mayor, comptroller, or clerk authorizing the affixing of his <u>or her</u> signature to a bond by a proxy shall be subject to the same liability personally and on his <u>or her</u> bond for any signature so affixed and to the same extent as if he <u>or she</u> had affixed his <u>or her</u> signature in person.

Sec. 2073. RCW 35.36.060 and 1965 c 7 s 35.36.060 are each amended 22 to read as follows:

In order to designate a proxy to affix his <u>or her</u> signature to bonds, a mayor, comptroller, or clerk shall address a written notice to the governing body of the city giving the name of the person whom he <u>or she</u> has selected therefor and stating generally or specifically what bonds are to be so signed.

Attached to or included in the notice shall be a written signature of the officer making the designation executed by the proposed proxy followed by the word "by" and his <u>or her</u> own signature; or, if the notice so states, the specimen signatures may consist of a facsimile reproduction of the officer's signature impressed by some mechanical process followed by the word "by" and the proxy's own signature.

If the authority is intended to include the signature upon bonds bearing an earlier date than the effective date of the notice, the

p. 83 SB 5038

1 prior dated bonds must be specifically described by reasonable 2 reference thereto.

The notice designating a proxy shall be filed with the city comptroller or city clerk, together with the specimen signatures attached thereto and a record of the filing shall be made in the journal of the governing body. This record shall note the date and hour of filing and may be made by the official who keeps the journal at any time after filing of the notice, even during a period of recess or adjournment of the governing body. The notice shall be effective from the time of its recording.

Sec. 2074. RCW 35.37.120 and 1983 c 167 s 38 are each amended to read as follows:

If the council of any city or town which has issued general indebtedness bonds fails to make any levy necessary to make principal or interest payments due on the bonds, the owner of any bond or interest payment which has been presented to the treasurer and payment thereof refused because of the failure to make a levy may file the bond together with any unpaid coupons with the county auditor, taking his or her receipt therefor.

The county auditor shall register bonds so filed, and the county legislative authority at its next session at which it levies the annual county tax shall add to the city's or town's levy a sum sufficient to realize the amount of principal and interest past due and to become due prior to the next annual levy to be collected and held by the county treasurer and paid out only upon warrants drawn by the county auditor as the payments mature in favor of the owner of the bond as shown by the auditor's register. Similar levies shall be made in each succeeding year until the bonds and any coupons or interest payments are fully satisfied.

This remedy is alternative and in addition to any other remedy which the owner of such a bond or coupon may have.

Sec. 2075. RCW 35.38.050 and 1965 c 7 s 35.38.050 are each amended to read as follows:

The foregoing provisions of this chapter shall in no way affect the duty of a city or town treasurer to give bond to the city or town for

the faithful performance of his <u>or her</u> duties in such amount as may be fixed by the city or town council or other governing body by ordinance.

Sec. 2076. RCW 35.39.060 and 1982 c 166 s 1 are each amended to read as follows:

Investments shall be made in accordance with investment policy duly established and published by the board. In discharging its duties under this section, the board shall act with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man or woman acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims; shall diversify the investments of the employees' pension system so as to minimize the risk of large losses; and shall act in accordance with the documents and instruments governing the employees' pension system, insofar as such documents and instruments are consistent with the provisions of this title.

Sec. 2077. RCW 35.44.190 and 1985 c 397 s 9 are each amended to 21 read as follows:

Whenever any assessment roll for local improvements has been confirmed by the council, the regularity, validity, and correctness of the proceedings relating to the improvement and to the assessment therefor, including the action of the council upon the assessment roll and the confirmation thereof shall be conclusive in all things upon all parties. They cannot in any manner be contested or questioned in any proceeding by any person unless he or she filed written objections to the assessment roll in the manner and within the time required by the provisions of this chapter and unless he or she prosecutes his or her appeal in the manner and within the time required by the provisions of this chapter.

No proceeding of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any assessment or the sale of any property to pay an assessment or any certificate of delinquency issued therefor, or the foreclosure of any lien therefor, except that

p. 85 SB 5038

injunction proceedings may be brought to prevent the sale of any real estate upon the ground (1) that the property about to be sold does not appear upon the assessment roll or, (2) that the assessment has been paid.

If federal, local, or state funds become available for a local improvement after the assessment roll has been confirmed by the city legislative authority, the funds may be used to lower the assessments on a uniform basis. Any adjustments to the assessments because of the availability of federal or state funds may be made on the next annual payment.

Sec. 2078. RCW 35.44.220 and 1971 ex.s. c 116 s 3 are each amended to read as follows:

At the time of filing the notice of appeal with the clerk of the superior court, the appellant shall execute and file with him or her a sufficient bond in the penal sum of two hundred dollars, with at least two sureties to be approved by the judge of the court, conditioned to prosecute the appeal without delay and, if unsuccessful, to pay all reasonable costs and expenses which the city or town incurs by reason of the appeal. Upon application therefor, the court may order the appellant to execute and file such additional bonds as the necessity of the case may require.

Sec. 2079. RCW 35.44.230 and 1971 c 81 s 90 are each amended to 23 read as follows:

Within ten days from the filing of the notice of appeal, the appellant shall file with the clerk of the superior court a transcript consisting of the assessment roll and his <u>or her</u> objections thereto, together with the ordinance confirming the assessment roll and the record of the council with reference to the assessment. This transcript, upon payment of the necessary fees therefor, shall be furnished by the city or town clerk and shall be certified by him <u>or her</u> to contain full, true and correct copies of all matters and proceedings required to be included in the transcript. The fees payable therefor shall be the same as those payable to the clerk of the superior court for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions.

Sec. 2080. RCW 35.44.270 and 1988 c 202 s 37 are each amended to 2 read as follows:

A certified copy of the decision of the superior court pertaining to assessments for local improvements shall be filed with the officer having custody of the assessment roll and he or she shall modify and correct the assessment roll in accordance with the decision. In the event appellate review of the decision is sought, a certified copy of the court's order shall be filed with the officer having custody of the assessment roll and the officer shall thereupon modify and correct the assessment roll in accordance with the order.

Sec. 2081. RCW 35.45.080 and 2002 c 41 s 3 are each amended to 12 read as follows:

If a city or town fails to pay any bonds or to promptly collect any local improvement assessments when due, the owner of the bonds may proceed in his <u>or her</u> own name to collect the assessment and foreclose the lien thereof in any court of competent jurisdiction and shall recover in addition to the amount of the bond and interest thereon, five percent, together with the cost of suit. Any number of holders of bonds for any single improvement may join as plaintiffs and any number of owners of property upon which the assessments are liens may be joined as defendants in the same suit.

The owners of local improvement bonds issued by a city or town after the creation of a local improvement guaranty fund therein, shall also have recourse against the local improvement guaranty fund of such city or town unless the ordinance under which the bonds were issued provides that the bonds are not secured by the local improvement guaranty fund.

Sec. 2082. RCW 35.45.090 and 1965 c 7 s 35.45.090 are each amended 29 to read as follows:

Any funds in the treasury of any municipal corporation belonging to the fund of any local improvement district after the payment of the whole cost and expense of such improvement, in excess of the total sum required to defray all the expenditures by such municipal corporation on account thereof, shall be refunded, on demand, to the payers into such fund. Each such payer shall be entitled to such proportion of such excess as his or her original assessment bears to the entire

p. 87 SB 5038

original assessment levied for such improvement. Such municipal corporation may, after one year from the date on which the last installment becomes due, transfer any balance remaining on hand to the general fund of such municipal corporation, but shall, notwithstanding such transfer remain liable for the refund herein provided for until such refund shall have been made, unless the actual cost involved in making such refund shall exceed the excess in such fund.

Such demand shall be made in writing to the treasurer of such municipal corporation. No action shall be commenced in any court to obtain any such refund, except upon such demand, and until ninety days after making such demand. No excess shall be recovered in any action where the excess in the fund does not average the sum of one dollar in favor of all payers into such fund.

This section shall not be deemed to require the refunding of any balance left in any local improvement fund after the payment of all outstanding obligations issued against such fund, where such balance accrues from any saving in interest or from penalties collected upon delinquent assessments, but any such balance, whether accruing heretofore or hereafter, may be turned into the general fund or otherwise disposed of, as the legislative authority of the city may direct.

The provisions of this chapter relating to the refund of excess local improvement district funds shall not apply to any district whose obligations are guaranteed by the local improvement guaranty fund.

Sec. 2083. RCW 35.45.130 and 1981 c 323 s 3 are each amended to read as follows:

Every city and town may provide by ordinance for the issuance of warrants in payment of the cost and expense of any local improvement, payable out of the local improvement district fund. The warrants shall bear interest at a rate or rates established by the issuing officer under the direction of the legislative authority of the city or town and shall be redeemed either in cash or by local improvement bonds for the same improvement authorized by ordinance.

All warrants against any local improvement fund sold by the city or town or issued to a contractor and by him <u>or her</u> sold or hypothecated for a valuable consideration shall be claims and liens against the improvement fund against which they are drawn prior and superior to any

right, lien, or claim of any surety upon the bond or bonds given to the city or town by or for the contractor to secure the performance of his or her contract or to secure the payment of persons who have performed work thereon, furnished materials therefor, or provisions and supplies for the carrying on of the work.

In addition to the issuance of bonds and warrants in payment of the cost and expense of any local improvement, any city or town may also issue and sell installment notes payable out of the local improvement district fund. Such installment notes may be issued any time after the thirty day period allowed by law for the payment of assessments of any district without penalty or interest, and may bear any denomination or denominations, the aggregate of which shall represent the balance of the cost and expense of the local improvement district which is to be borne by the property owners therein.

Appropriate notification of such application of funds shall be made by the city or town treasurer to the registered payees of said notes, except those notes owned by funds of the issuing municipality. Such notes may be registered as provided in RCW 39.46.030. If more than one local improvement installment note is issued for a single district, said notes shall be numbered consecutively. Such receipts shall first be applied toward the interest due on the unpaid balance of the note, and any additional moneys shall thereafter apply as a reduction of the principal amount thereof. The tabular payment record shall, in addition to the above, show the unpaid principal balance due on each installment note, together with sufficient space opposite each transaction affecting said note for the manual signature of the city's or town's clerk, treasurer or other properly designated receiving officer of the municipality, or of any other registered payee presenting said note for such installment payments.

Such certificates may be registered as provided in RCW 39.46.030. The certificate herein provided shall bear the manual signature of the city or town treasurer or his or her authorized agent. The defaulted installment interest certificate so issued shall be redeemed for the face amount thereof with any available funds in the local improvement guaranty fund.

Whenever at the date of maturity of any installment note issued pursuant to this section, there are insufficient funds in a local improvement district, due to delinquencies in the collection of assessments, to pay the final installment of the principal due thereon, the note shall be redeemed with any available funds in the local improvement guaranty fund for the amount of said final installment.

All certificates and notes issued pursuant to this section are to become subject to the same redemption privileges as apply to any local improvement district bonds and warrants now accorded the protection of the local improvement guaranty fund as provided in chapter 35.54 RCW, and whenever the certificates or notes issued as herein provided are redeemed by said local improvement guaranty fund, they shall be held

3 Notwithstanding any other statutory provisions, local improvement 4 installment notes authorized by this section which are within the 5 protection of the local improvement guaranty fund law shall be considered legal investments for any available surplus funds of the 6 7 issuing municipality which now or hereafter may be authorized to be 8 invested in the city's or town's local improvement districts' bonds or 9 warrants and shall be considered legal investments for all national and 10 state banks, savings and loan institutions, and any and all other commercial banking or financial institutions to the same extent that 11 12 the local improvement district bonds and any coupons issued pursuant to 13 the provisions of this chapter have been and are legal investments for 14 such institutions. Any such local improvement installment notes may be transferred or sold by said city or town upon such terms or conditions 15 16 and in such manner as the local governing body of said city or town may 17 determine, or may be issued to another fund of the city or town: 18 PROVIDED, HOWEVER, That the same shall not be sold at less than par 19 plus accrued interest.

Notwithstanding the provisions of this section, such notes and certificates may be issued, and such notes may be sold, in accordance with chapter 39.46 RCW.

Sec. 2085. RCW 35.49.010 and 1972 ex.s. c 137 s 1 are each amended to read as follows:

All assessments for local improvements in local improvement districts shall be collected by the city treasurer and shall be kept in a separate fund to be known as "local improvement fund, district No. . . . " and shall be used for no other purpose than the redemption of warrants drawn upon and bonds issued against the fund to provide payment for the cost and expense of the improvement.

All assessments for local improvements in a utility local improvement district shall be collected by the city treasurer, shall be paid into the appropriate revenue bond fund, and shall be used for no other purpose than the redemption of revenue bonds issued to provide funds for the cost and expense of the improvement.

As soon as the assessment roll has been placed in the hands of the city or town treasurer for collection, he <u>or she</u> shall publish a notice

p. 91 SB 5038

in the official newspaper of the city or town once a week for two consecutive weeks, that the roll is in his <u>or her</u> hands for collection and that all or any portion of the assessment may be paid within thirty days from the date of the first publication of the notice without penalty, interest or costs.

Within fifteen days of the first newspaper publication, the city or town treasurer shall notify each owner or reputed owner whose name appears on the assessment roll, at the address shown on the tax rolls of the county treasurer for each item of property described on the list, of the nature of the assessment, of the amount of his or her real property subject to such assessment, of the total amount of assessment due, and of the time during which such assessment may be paid without penalty, interest, or costs.

Sec. 2086. RCW 35.49.040 and 1965 c 7 s 35.49.040 are each amended to read as follows:

The owner of any lot, tract, or parcel of land or other property charged with local improvement assessment may redeem it from all or any portion thereof by paying to the city or town treasurer all or any portion thereof without interest within thirty days after the first publication by the treasurer of notice that the assessment roll is in his or her hands for collection.

Sec. 2087. RCW 35.49.090 and 1965 c 7 s 35.49.090 are each amended to read as follows:

If any assessment for a local improvement, or an installment thereof, or judgment for either of them is paid, or a certificate of sale for either of them is redeemed by a joint owner of any of the property so assessed, he or she may, after demand and refusal, recover from his or her co-owners, by an action brought in superior court, the respective portions of the payment which each co-owner should bear. He or she shall have a lien upon the undivided interests of his or her co-owners from the date of the payment made by him or her and in the action shall recover interest at ten percent from the date of payment by him or her and the costs of the action in addition to the principal sum due him or her.

If, through error or inadvertence, a person pays any assessment for a local improvement or an installment thereof upon the lands of another, he <u>or she</u> may, after demand and refusal, recover from the owner of such lands, by an action in the superior court, the amount so paid and the costs of the action.

Sec. 2089. RCW 35.50.005 and 1969 ex.s. c 258 s 16 are each 9 amended to read as follows:

Within fifteen days after any city or town has ordered a local improvement and created a local improvement district, the city or town shall cause to be filed with the officer authorized by law to collect the assessments for such improvement, the title of the improvement and district number and a copy of the diagram or print showing the boundaries of the district and preliminary assessment roll or abstract of same showing thereon the lots, tracts and parcels of land that will be specially benefited thereby and the estimated cost and expense of such improvement to be borne by each lot, tract, or parcel of land. The board shall keep a full account of its expenditures and shall report it in each report. There shall be allowed such expenses for only one annual meeting of the board within this state, and for the members in attendance, not oftener than once in each year, at any conference of commissioners outside of this state.

Sec. 5141. RCW 43.59.010 and 1998 c 165 s 2 are each amended to read as follows:

- (1) The purpose of this chapter is to establish a new agency of state government to be known as the Washington traffic safety commission. The functions and purpose of this commission shall be to find solutions to the problems that have been created as a result of the tremendous increase of motor vehicles on our highways and the attendant traffic death and accident tolls; to plan and supervise programs for the prevention of accidents on streets and highways including but not limited to educational campaigns designed to reduce traffic accidents in cooperation with all official and unofficial organizations interested in traffic safety; to coordinate the activities at the state and local level in the development of statewide and local traffic safety programs; to promote a uniform enforcement of traffic safety laws and establish standards for investigation and reporting of traffic accidents; to promote and improve driver education; and to authorize the governor to perform all functions required to be performed by him or her under the federal Highway Safety Act of 1966 (Public Law 89-564; 80 Stat. 731).
- (2) The legislature finds and declares that bicycling and walking are becoming increasingly popular in Washington as clean and efficient modes of transportation, as recreational activities, and as organized sports. Future plans for the state's transportation system will require increased access and safety for bicycles and pedestrians on our common roadways, and federal transportation legislation and funding programs have created strong incentives to implement these changes quickly. As a result, many more people are likely to take up bicycling in Washington both as a leisure activity and as a convenient, inexpensive form of transportation. Bicyclists are more vulnerable to

injury and accident than motorists, and should be as knowledgeable as 1 2 possible about traffic laws, be highly visible and predictable when riding in traffic, and be encouraged to wear bicycle safety helmets. 3 4 Hundreds of bicyclists and pedestrians are seriously injured every year in accidents, and millions of dollars are spent on health care costs 5 6 associated with these accidents. There is clear evidence that organized training in the rules and techniques of safe and effective 7 8 cycling can significantly reduce the incidence of serious injury and 9 accidents, increase cooperation among road users, and significantly 10 increase the incidence of bicycle helmet use, particularly among 11 A reduction in accidents benefits the entire community. 12 Therefore it is appropriate for businesses and community organizations 13 to provide donations to bicycle and pedestrian safety training 14 programs.

Nor shall it prohibit insurance effectuated by the insurer as an unauthorized insurer in accordance with the laws of the reciprocating state. Nor shall it prohibit renewal or continuance in force, with or without modification, of contracts otherwise lawful and which were not originally executed in violation of this section.

No such reduction shall be made which results in capital stock less in amount than the minimum required by this code for the kinds of insurance thereafter to be transacted by the insurer.

- (2) No surplus funds of the insurer resulting from a reduction of its capital stock shall be distributed to stockholders, except as a stock dividend on a subsequent increase of capital stock, or upon dissolution of the insurer, or upon approval of the commissioner of a distribution upon proof satisfactory to him or her that the distribution will not impair the interests of policyholders or the insurer's solvency.
- (3) Upon such reduction of capital stock, the insurer's directors shall call in any outstanding stock certificates required to be changed pursuant thereto, and issue proper certificates in their stead.

p. 317 SB 5038

- (4) No person shall so furnish to another, information which the informer knows or has reason to believe, is false or misleading as to any material fact, or which fails to state any material fact reasonably necessary to prevent any other statement made from being misleading.
 - (5) The form of all such proxies shall:

 - (b) Provide for dating the proxy;

- (c) Impartially identify each matter or group of related matters intended to be acted upon;
 - (d) Provide means for the principal to instruct the vote of his shares as to approval or disapproval of each matter or group, other than election to office; and
 - (e) Be legibly printed, with context suitably organized.

Except, that a proxy may confer discretionary authority as to matters as to which choice is not specified pursuant to item (d), above, if the form conspicuously states how it is intended to vote the proxy or authorization in each such case; and may confer discretionary authority as to other matters which may come before the meeting but unknown for a reasonable time prior to the solicitation by the persons on whose behalf the solicitation is made.

- (6) No proxy shall confer authority (a) to vote for election of any person to any office for which a bona fide nominee is not named in the proxy statement, or (b) to vote at any annual meeting (or adjournment thereof) other than the annual meeting next following the date on which the proxy statement and form were furnished stockholders.

This section shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the security involved, or any transaction or transactions which the commissioner by rules and regulations may exempt as not comprehended within the purpose of this section.

The commissioner may, by such rules and regulations as he <u>or she</u> deems necessary or appropriate in the public interest, define and prescribe terms and conditions with respect to securities held in an investment account and

- transactions made in the ordinary course of business and incident to the establishment or maintenance of a primary or secondary market.

- (3) When the surplus has been so established and the commissioner has so ascertained, he <u>or she</u> shall issue to the insurer, at its request, his <u>or her</u> certificate authorizing the extinguishment of the contingent liability of its members and the issuance of policies free therefrom.
- (4) While it maintains surplus funds in amount not less than the minimum capital required of a domestic stock insurer authorized to transact like kinds of insurance, and subject to the requirements of RCW 48.05.360 as to special surplus, a foreign or alien mutual insurer on the cash premium plan may, if consistent with its charter and the laws of its domicile, issue nonassessable policies covering subjects located, resident, or to be performed in this state.
- **Sec. 7041.** RCW 48.10.140 and 1947 c 79 s .10.14 are each amended to read as follows:

The bond shall be executed by the attorney and by an authorized corporate surety, and shall be subject to the commissioner's approval.

- (2) Each such subscriber's share of a deficiency for which an assessment is made, not exceeding in any event his <u>or her</u> aggregate contingent liability as computed in accordance with RCW 48.10.290, shall be computed by applying to the premium earned on the subscriber's policy or policies during the period to be covered by the assessment, the ratio of the total deficiency to the total premiums earned during such period upon all policies subject to the assessment.
- (3) In computing the earned premiums for the purposes of this section, the gross premium received by the insurer for the policy shall be used as a base, deducting therefrom solely charges not recurring upon the renewal or extension of the policy.

application of the attorney and as approved by the subscribers' advisory committee the commissioner shall issue his <u>or her</u> certificate authorizing the insurer to extinguish the contingent liability of subscribers under its policies then in force in this state, and to omit provisions imposing contingent liability in all policies delivered or issued for delivery in this state for so long as all such surplus remains unimpaired.

- (2) Upon impairment of such surplus, the commissioner shall forthwith revoke the certificate. No policy shall thereafter be issued or renewed without providing for the contingent assessment liability of subscribers.
- (3) The commissioner shall not authorize a domestic reciprocal insurer so to extinguish the contingent liability of any of its subscribers or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its subscribers and in all such policies for all kinds of insurance transacted by it.  - (2) Such a stock or mutual insurer shall be subject to the same capital requirements and shall have the same rights as a like domestic insurer transacting like kinds of insurance.

- (c) Unless otherwise permitted by law or approved by the commissioner, no insurer shall purchase or otherwise acquire for its separate accounts the voting securities of any issuer if as a result of such acquisition the insurer and its separate accounts, in the aggregate, will own more than ten percent of the total issued and outstanding voting securities of such issuer: PROVIDED, That the foregoing shall not apply with respect to securities held in separate accounts, the voting rights in which are exercisable only in accordance with instructions from persons having interests in such accounts.
- (d) The limitations provided in paragraphs (b) and (c) of this subsection shall not apply to the investment with respect to a separate account in the securities of an investment company registered under the United States Investment Company Act of 1940: PROVIDED, That the investments of such investment company shall comply in substance therewith.
- (3) Unless otherwise approved by the commissioner, assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then as provided under the terms of the contract or the rules or other written agreement applicable to such separate account: PROVIDED, That unless otherwise approved by the commissioner, the portion, if any, of the assets of such separate account equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in subsection (2) of this section shall be valued in accordance with the rules otherwise applicable to the insurer's assets.
- (4) Amounts allocated to a separate account in the exercise of the power granted by this chapter shall be owned by the insurer and the

insurer shall not be, nor hold itself out to be, a trustee with respect to such amounts. If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the insurer may conduct.

- (5) No sale, exchange or other transfer of assets may be made by an insurer between any of its separate accounts or between any other investment account and one or more of its separate accounts unless, in case of a transfer into a separate account, such transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account, is made (a) by a transfer of cash, or (b) by a transfer of securities having a readily determinable market value: PROVIDED, That such transfer of securities is approved by the commissioner. The commissioner may approve other transfers among such accounts, if, in his or her opinion, such transfers would not be inequitable.
- (6) To the extent such insurer deems it necessary to comply with any applicable federal or state law, such insurer, with respect to any separate account, including without limitation any separate account which is a management investment company or a unit investment trust, may provide for persons having interest therein, as may be appropriate, voting and other rights and special procedures for the conduct of the business of such account, including without limitation, special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with such insurer, to manage the business of such account.

- **Sec. 7094.** RCW 48.19.370 and 1947 c 79 s .19.37 are each amended to read as follows:
 - (1) The commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with him or her, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid him or her in determining whether rating systems comply with the standards set forth in RCW 48.19.020 and 48.19.030. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of countrywide expense experience.
 - (2) In promulgating such rules and plans, the commissioner shall give due consideration to the rating systems on file with him or her and, in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states.

(A policy which contains a cancellation provision may add, at the end of the above provision: "subject to the right of the insurer to cancel in accordance with the cancellation provision hereof."

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision: "Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to his <u>or her</u> last address as shown by the records of the insurer written notice of its intention not

to renew this policy beyond the period for which the premium has been accepted.")

Sec. 7097. RCW 48.20.082 and 1951 c 229 s 9 are each amended to read as follows:

There shall be a provision as follows:

NOTICE OF CLAIM: Written notice of claim must be given to the insurer within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

"Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he or she shall at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.")

classified, the insurer will pay only such portion of the indemnities 1 2 provided in this policy as the premium paid would have purchased at the 3 rates and within the limits fixed by the insurer for such more 4 hazardous occupation. If the insured changes his or her occupation to one classified by the insurer as less hazardous than that stated in 5 this policy, the insurer, upon receipt of proof of such change of 6 7 occupation, will reduce the premium rate accordingly, and will return 8 the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding 9 10 receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium 11 12 rates shall be such as have been last filed by the insurer prior to the 13 occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having 14 supervision of insurance in the state where the insured resided at the 15 time this policy was issued; but if such filing was not required, then 16 17 the classification of occupational risk and the premium rates shall be 18 those last made effective by the insurer in such state prior to the 19 occurrence of the loss or prior to the date of proof of change in occupation. 20

RELATION OF EARNINGS TO INSURANCE: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or his or her average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of two hundred dollars or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

The policy may provide that any hospital, medical, or surgical benefits thereunder may be made payable jointly to the insured employee or member and the person furnishing such hospital, medical, or surgical services.

Sec. 7104. RCW 48.21A.030 and 1965 ex.s. c 70 s 29 are each amended to read as follows:

Notwithstanding any other provision of this code or any other law which may be inconsistent herewith, any insurer may join with one or more other insurers, to plan, develop, underwrite, and offer and provide to any person who is sixty-five years of age or older and to the spouse of such person, extended health insurance against financial loss from accident or disease, or both. Such insurance may be offered, issued and administered jointly by two or more insurers by a group policy issued to a policyholder through an association formed for the purpose of offering, selling, issuing and administering such insurance. The policyholder may be an association, a trustee, or any other person. Any such policy may provide, among other things, that the benefits payable thereunder are subject to reduction if the individual insured has any other coverage providing hospital, surgical or medical benefits whether on an indemnity basis or a provision of service basis resulting in such insured being eligible for more than one hundred percent of covered expenses which he or she is required to pay, and any insurer issuing individual policies providing extended hospital, surgical or medical benefits to persons sixty-five years of age and older and their spouses may also use such a policy provision. A master group policy issued to an association or to a trustee or any person appointed by an association for the purpose of providing the insurances described in this section shall be another form of group disability insurance.

Any form of policy approved by the commissioner for an association shall be offered throughout Washington to all persons sixty-five and older and their spouses, and the coverage of any person insured under such a form of policy shall not be cancellable except for nonpayment of

Sec. 7105. RCW 48.21A.060 and 1965 ex.s. c 70 s 32 are each amended to read as follows:

The forms of the policies, applications, certificates or other evidence of insurance coverage and applicable premium rates relating thereto shall be filed with the commissioner. No such policy, contract, or other evidence of insurance, application or other form shall be sold, issued or used and no endorsement shall be attached to or printed or stamped thereon unless the form thereof shall have been approved by the commissioner or thirty days shall have expired after such filing without written notice from the commissioner of disapproval thereof. The commissioner shall disapprove the forms of such insurance if he or she finds that they are unjust, unfair, inequitable, misleading or deceptive or that the rates are by reasonable assumption excessive in relation to the benefits provided. In determining whether such rates by reasonable assumptions are excessive in relation to the benefits provided, the commissioner shall give due consideration to past and prospective claim experience, within and outside this state, and to fluctuations in such claim experience, to a reasonable risk charge, to contribution to surplus and contingency funds, to past and prospective expenses, both within and outside this state, and to all other relevant factors within and outside this state including any differing operating methods of the insurers joining in the issue of the policy. In exercising the powers conferred upon him or her by this chapter, the commissioner shall not be bound by any other requirement of this code with respect to standard provisions to be included in disability policies or forms.

The commissioner may, after hearing upon written notice, withdraw an approval previously given, upon such grounds as in his <u>or her</u> opinion would authorize disapproval upon original submission thereof. Any such withdrawal of approval after hearing shall be by notice in writing specifying the ground thereof and shall be effective at the expiration of such period, not less than ninety days after the giving of notice of withdrawal, as the commissioner shall in such notice prescribe.

If and when a program of hospital, surgical and medical benefits is enacted by the federal government or the state of Washington, the extended health insurance benefits provided by policies issued under this chapter shall be adjusted to avoid any duplication of benefits offered by the federal or state programs and the premium rates applicable thereto shall be adjusted to conform with the adjusted benefits.

The association shall submit an annual report to the insurance commissioner which shall become public information and shall provide information as to the number of persons insured, the names of the insurers participating in the association with respect to insurance offered under this chapter and the calendar year experience applicable to such insurance offered under this chapter, including premiums earned, claims paid during the calendar year, the amount of claims reserve established, administrative expenses, commissions, promotional expenses, taxes, contingency reserve, other expenses, and profit and loss for the year. The commissioner shall require the association to provide any and all information concerning the operations of the association deemed relevant by him for inclusion in the report.

- **Sec. 7106.** RCW 48.22.030 and 2007 c 80 s 14 are each amended to read as follows:
 - (1) "Underinsured motor vehicle" means a motor vehicle with respect to the ownership, maintenance, or use of which either no bodily injury or property damage liability bond or insurance policy applies at the time of an accident, or with respect to which the sum of the limits of liability under all bodily injury or property damage liability bonds and insurance policies applicable to a covered person after an accident is less than the applicable damages which the covered person is legally entitled to recover.
 - (2) No new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury, death, or property damage, suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be issued with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of underinsured motor

p. 361 SB 5038

vehicles, hit-and-run motor vehicles, and phantom vehicles because of bodily injury, death, or property damage, resulting therefrom, except while operating or occupying a motorcycle or motor-driven cycle, and except while operating or occupying a motor vehicle owned or available for the regular use by the named insured or any family member, and which is not insured under the liability coverage of the policy. The coverage required to be offered under this chapter is not applicable to general liability policies, commonly known as umbrella policies, or other policies which apply only as excess to the insurance directly applicable to the vehicle insured.

- (3) Except as to property damage, coverage required under subsection (2) of this section shall be in the same amount as the insured's third party liability coverage unless the insured rejects all or part of the coverage as provided in subsection (4) of this section. Coverage for property damage need only be issued in conjunction with coverage for bodily injury or death. Property damage coverage required under subsection (2) of this section shall mean physical damage to the insured motor vehicle unless the policy specifically provides coverage for the contents thereof or other forms of property damage.
- (4) A named insured or spouse may reject, in writing, underinsured coverage for bodily injury or death, or property damage, and the requirements of subsections (2) and (3) of this section shall not apply. If a named insured or spouse has rejected underinsured coverage, such coverage shall not be included in any supplemental or renewal policy unless a named insured or spouse subsequently requests such coverage in writing. The requirement of a written rejection under this subsection shall apply only to the original issuance of policies issued after July 24, 1983, and not to any renewal or replacement policy. When a named insured or spouse chooses a property damage coverage that is less than the insured's third party liability coverage for property damage, a written rejection is not required.
- (5) The limit of liability under the policy coverage may be defined as the maximum limits of liability for all damages resulting from any one accident regardless of the number of covered persons, claims made, or vehicles or premiums shown on the policy, or premiums paid, or vehicles involved in an accident.
- 37 (6) The policy may provide that if an injured person has other

similar insurance available to him <u>or her</u> under other policies, the total limits of liability of all coverages shall not exceed the higher of the applicable limits of the respective coverages.

- (7)(a) The policy may provide for a deductible of not more than three hundred dollars for payment for property damage when the damage is caused by a hit-and-run driver or a phantom vehicle.
- (b) In all other cases of underinsured property damage coverage, the policy may provide for a deductible of not more than one hundred dollars.
- (8) For the purposes of this chapter, a "phantom vehicle" shall mean a motor vehicle which causes bodily injury, death, or property damage to an insured and has no physical contact with the insured or the vehicle which the insured is occupying at the time of the accident if:
- (a) The facts of the accident can be corroborated by competent evidence other than the testimony of the insured or any person having an underinsured motorist claim resulting from the accident; and
- (b) The accident has been reported to the appropriate law enforcement agency within seventy-two hours of the accident.
- (9) An insurer who elects to write motorcycle or motor-driven cycle insurance in this state must provide information to prospective insureds about the coverage.
- (10) An insurer who elects to write motorcycle or motor-driven cycle insurance in this state must provide an opportunity for named insureds, who have purchased liability coverage for a motorcycle or motor-driven cycle, to reject underinsured coverage for that motorcycle or motor-driven cycle in writing.
- (11) If the covered person seeking underinsured motorist coverage under this section was the intended victim of the tort feasor, the incident must be reported to the appropriate law enforcement agency and the covered person must cooperate with any related law enforcement investigation.
- (12) The purpose of this section is to protect innocent victims of motorists of underinsured motor vehicles. Covered persons are entitled to coverage without regard to whether an incident was intentionally caused. However, a person is not entitled to coverage if the insurer can demonstrate that the covered person intended to cause the event for which a claim is made under the coverage described in this section. As

p. 363 SB 5038

used in this section, and in the section of policies providing the underinsured motorist coverage described in this section, "accident" means an occurrence that is unexpected and unintended from the standpoint of the covered person.

The insured under any annual dividend policy shall have the right each year to have the current dividend arising 18 from such participation either paid in cash, or applied in accordance 19 20 with such other dividend option as may be specified in the policy and 21 elected by the insured.
