State of Washington

61st Legislature

2009 Regular Session

By Senate Agriculture & Rural Economic Development (originally sponsored by Senators Schoesler, Hatfield, and Haugen; by request of Conservation Commission)

READ FIRST TIME 02/05/09.

1 AN ACT Relating to the state conservation commission; and amending
2 RCW 89.08.040, 89.08.050, and 89.08.070.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 89.08.040 and 1984 c 287 s 112 are each amended to
5 read as follows:

6 Members shall be compensated in accordance with RCW (~~43.03.240~~)
7 43.03.250 and shall be entitled to travel expenses in accordance with
8 RCW 43.03.050 and 43.03.060 incurred in the discharge of their duties.

9 The commission shall keep a record of its official actions, shall
10 adopt a seal, which shall be judicially noticed, and may perform such
11 acts, hold such public hearings, and (~~promulgate~~) adopt such rules
12 (~~and regulations~~) as may be necessary for the execution of its
13 functions under chapter 184, Laws of 1973 1st ex. sess. The state
14 department of ecology is empowered to pay the travel expenses of the
15 elected and appointed members of the state conservation commission, and
16 the salaries, wages and other expenses of such administrative officers
17 or other employees as may be required under the provisions of this
18 chapter.

1 **Sec. 2.** RCW 89.08.050 and 1973 1st ex.s. c 184 s 6 are each
2 amended to read as follows:

3 The commission may employ an administrative officer, and such
4 technical experts and such other agents and employees, permanent and
5 temporary as it may require, and shall determine their qualifications,
6 duties, and compensation. The commission may call upon the attorney
7 general for such legal services as it may require.

8 It shall have authority to delegate to its (~~chairman~~) chair, to
9 one or more of its members, to one or more agents or employees such
10 duties and powers as it deems proper. (~~It~~) As long as the commission
11 deems it appropriate and financially justifiable to do so, the
12 commission shall be supplied with suitable office accommodations at the
13 central office of the department of ecology, and shall be furnished the
14 necessary supplies and equipment.

15 The commission shall organize annually and select a (~~chairman~~)
16 chair from among its members, who shall serve for one year from the
17 date of (~~his~~) the chair's selection. A majority of the commission
18 shall constitute a quorum and all actions of the commission shall be by
19 a majority vote of the members present and voting at a meeting at which
20 a quorum is present.

21 **Sec. 3.** RCW 89.08.070 and 1973 1st ex.s. c 184 s 8 are each
22 amended to read as follows:

23 In addition to the duties and powers hereinafter conferred upon the
24 commission, it shall have the following duties and powers:

25 (1) To offer such assistance as may be appropriate to the
26 supervisors of conservation districts organized under the provisions of
27 chapter 184, Laws of 1973 1st ex. sess., in the carrying out of any of
28 their powers and programs:

29 (a) To assist and guide districts in the preparation and carrying
30 out of programs for resource conservation authorized under chapter 184,
31 Laws of 1973 1st ex. sess.;

32 (b) To review district programs;

33 (c) To coordinate the programs of the several districts and resolve
34 any conflicts in such programs;

35 (d) To facilitate, promote, assist, harmonize, coordinate, and
36 guide the resource conservation programs and activities of districts as

1 they relate to other special purpose districts, counties, and other
2 public agencies.

3 (2) To keep the supervisors of each of the several conservation
4 districts organized under the provisions of chapter 184, Laws of 1973
5 1st ex. sess. informed of the activities and experience of all other
6 districts organized hereunder, and to facilitate an interchange of
7 advice and experience between such districts and cooperation between
8 them.

9 (3) To review agreements, or forms of agreements, proposed to be
10 entered into by districts with other districts or with any state,
11 federal, interstate, or other public or private agency, organization,
12 or individual, and advise the districts concerning such agreements or
13 forms of agreements.

14 (4) To secure the cooperation and assistance of the United States
15 and any of its agencies, and of agencies of this state in the work of
16 such districts.

17 (5) To recommend the inclusion in annual and longer term budgets
18 and appropriation legislation of the state of Washington of funds
19 necessary for appropriation by the legislature to finance the
20 activities of the commission and the conservation districts; to
21 administer the provisions of any law hereinafter enacted by the
22 legislature appropriating funds for expenditure in connection with the
23 activities of conservation districts; to distribute to conservation
24 districts funds, equipment, supplies and services received by the
25 commission for that purpose from any source, subject to such conditions
26 as shall be made applicable thereto in any state or federal statute or
27 local ordinance making available such funds, property or services; to
28 (~~issue regulations~~) adopt rules establishing guidelines and suitable
29 controls to govern the use by conservation districts of such funds,
30 property and services; and to review all budgets, administrative
31 procedures and operations of such districts and advise the districts
32 concerning their conformance with applicable laws and (~~regulations~~)
33 rules.

34 (6) To encourage the cooperation and collaboration of state,
35 federal, regional, interstate and local public and private agencies
36 with the conservation districts, and facilitate arrangements under
37 which the conservation districts may serve county governing bodies and

1 other agencies as their local operating agencies in the administration
2 of any activity concerned with the conservation of renewable natural
3 resources.

4 (7) To disseminate information throughout the state concerning the
5 activities and programs of the conservation districts organized
6 hereunder, and to encourage the formation of such districts in areas
7 where their organization is desirable; to make available information
8 concerning the needs and the work of the conservation district and the
9 commission to the governor, the legislature, executive agencies of the
10 government of this state, political subdivisions of this state,
11 cooperating federal agencies, and the general public.

12 (8) Pursuant to procedures developed mutually by the commission and
13 other state and local agencies that are authorized to plan or
14 administer activities significantly affecting the conservation of
15 renewable natural resources, to receive from such agencies for review
16 and comment suitable descriptions of their plans, programs and
17 activities for purposes of coordination with district conservation
18 programs; to arrange for and participate in conferences necessary to
19 avoid conflict among such plans and programs, to call attention to
20 omissions, and to avoid duplication of effort.

21 (9) To compile information and make studies, summaries and analysis
22 of district programs in relation to each other and to other resource
23 conservation programs on a statewide basis.

24 (10) To assist conservation districts in obtaining legal services
25 from state and local legal officers.

26 (11) To require annual reports from conservation districts, the
27 form and content of which shall be developed by the commission.

28 (12) To establish by (~~regulations~~) rule, with the assistance and
29 advice of the state auditor's office, adequate and reasonably uniform
30 accounting and auditing procedures which shall be used by conservation
31 districts.

32 (13) To seek and accept grants from any source, public or private,
33 to fulfill the purposes of the agency. The commission may also accept
34 gifts or endowments that are made from time to time, in trust or
35 otherwise, including real and personal property, for the use and
36 benefit consistent with the purposes of this chapter.

37 (14) To conduct conferences, seminars, and training sessions
38 consistent with the purposes of this chapter, and may accept grants,

1 gifts, and contributions, and may contract for services, to accomplish
2 these activities. The commission may recover costs for these
3 activities, whether the activity is sponsored or cosponsored by the
4 commission, at a rate determined by the commission. The commission may
5 provide reimbursement to participants in these activities and other
6 commission sponsored meetings and events, as appropriate and approved
7 by the commission, consistent with applicable statutes. The commission
8 may provide meals for participants in working meetings.
9 (15) To adopt rules to implement this section as it deems
10 appropriate.
