4 **Sec. 1.** RCW 36.29.024 and 2004 c 79 s 3 are each amended to read 5 as follows:

The county treasurer may deduct the amounts necessary to reimburse the treasurer's office for the actual expenses the office incurs and to repay any county funds appropriated and expended for the initial administrative costs of establishing a county investment pool provided in RCW 36.29.022. These funds shall be used by the county treasurer as a revolving fund to defray the cost of administering the pool without regard to budget limitations. Any credits or payments to political subdivisions shall be calculated and made in a manner which equitably reflects the differing amounts of the political subdivision's respective deposits in the county investment pool and the differing periods of time for which the amounts were placed in the county investment pool. As used in this section "actual expenses" include
