State of Washington 61st Legislature 2010 Regular Session

By Senators Keiser, Ranker, Kline, Delvin, and Fairley

Read first time 01/27/10. Referred to Committee on Health & Long-Term Care.

1 AN ACT Relating to community living for persons with developmental
2 disabilities; amending RCW 71A.16.010 and 71A.16.040; adding new
3 sections to chapter 71A.16 RCW; creating a new section; repealing RCW
4 71A.20.020 and 71A.20.080; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) The legislature finds that:

7 (a) The state recognizes the importance of the well-being of
8 persons with developmental disabilities who are transferred between
9 residential habilitation centers, or discharged from a residential
10 habilitation center to the community.

11 (b) People with disabilities share, with all Washingtonians, the
12 desire to live full, productive lives in proximity to those who care
13 about and love them.

14 (c) Due to limited resources, many people with developmental
15 disabilities who reside with family members or on their own do not
16 receive adequate supports to help maintain their lives in the
17 community.

18 (d) People with developmental disabilities in residential

1 habilitation centers and state-operated living arrangements benefit
2 from the dedicated state employees who work with and on their behalf.

3 (e) There is a shortage of certain key services and resources for
4 people with developmental disabilities in the community, and the
5 state's residential habilitation centers have employees whose
6 specialized knowledge and expertise would greatly benefit community-
7 based programs and the people they serve.

8 (f) The people who dedicate their lives to serving people with
9 disabilities deserve positions that pay a living wage and promote
10 stable and secure lives for both employees and clients.

11 (2) The legislature intends that:

12 (a) A person with a developmental disability may not be moved from
13 an institutional to a community setting until sufficient services and
14 support arrangements are authorized and funded to support the assessed
15 health and safety needs of the person and continued growth and
16 development in a stable community setting.

17 (b) The rights, health, and safety of all persons with
18 developmental disabilities must be secure, and adequate support and
19 services to meet the needs of these individuals must be provided.

20 (c) The network of high-quality, efficient, and cost-effective
21 publicly operated programs must be expanded to serve residential
22 habilitation center clients in the community.

23 **Sec. 2.** RCW 71A.16.010 and 1998 c 216 s 3 are each amended to read
24 as follows:

25 ~~((1))~~ It is the intention of the legislature in this chapter to
26 establish a single point of referral for persons with developmental
27 disabilities and their families so that they may have a place of entry
28 and continuing contact for services authorized under this title to
29 persons with developmental disabilities. Eligible persons with
30 developmental disabilities, whether they live in the community or
31 residential habilitation centers, should have the opportunity to choose
32 where they live from available options, which must include a funded
33 placement in the most integrated setting appropriate to the needs of
34 the qualified individual.

35 ~~((2) Until June 30, 2003, and subject to subsection (3) of this~~
36 ~~section, if there is a vacancy in a residential habilitation center,~~
37 ~~the department shall offer admittance to the center to any eligible~~

1 adult, or eligible adolescent on an exceptional case by case basis,
2 with developmental disabilities if his or her assessed needs require
3 the funded level of resources that are provided by the center.

4 ~~(3) The department shall not offer a person admittance to a
5 residential habilitation center under subsection (2) of this section
6 unless the department also offers the person appropriate community
7 support services listed in RCW 71A.12.040.~~

8 ~~(4) Community support services offered under subsection (3) of this
9 section may only be offered using funds specifically designated for
10 this purpose in the state operating budget. When these funds are
11 exhausted, the department may not offer admittance to a residential
12 habilitation center, or community support services under this section.~~

13 ~~(5) Nothing in this section shall be construed to create an
14 entitlement to state services for persons with developmental
15 disabilities.~~

16 ~~(6) Subsections (2) through (6) of this section expire June 30,
17 2003.)~~

18 NEW SECTION. **Sec. 3.** A new section is added to chapter 71A.16 RCW

33 resident or his or her guardian consents to their provision. Persons
