

HB 1286 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that it is the intent of the legislature to amend chapter 42.17 RCW to find that a violation of state law occurs if a person sponsors false statements about candidates in political advertising and electioneering communications when the statements are made with actual malice and are defamatory.

Finds that in such circumstances damages are presumed and do not need to be established when such statements are made with actual malice in political advertising and electioneering communications and constitute libel or defamation per se.
