

HB 1356-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that a middle school that receives approval from the office of the superintendent of public instruction to provide a career and technical program in science, technology, engineering, or mathematics directly to students shall receive funding at the same rate as a high school operating a similar program. Additionally, a middle school that provides a hands-on experience in science, technology, engineering, or mathematics with an integrated curriculum of academic content and career and technical education, and includes a career and technical education exploratory component shall also qualify for the career and technical education funding.
