

**HB 1605-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Authorizes two or more cities sharing common borders and located in the same county, or two or more cities sharing a common border and located within adjacent counties, in coordination with countywide and multicounty planning bodies, to agree to establish a subregion in order to address housing and employment markets that cross jurisdictional boundaries through proposed amendments to each city's comprehensive plan and to countywide planning policies and multicounty policies.
