

HB 1776-S - DIGEST

(AS OF HOUSE 2ND READING 3/10/2009)

Revises school levy provisions.

Recognizes that school districts request voter approval for two-year through four-year levies based on their projected levy capacities at the time that the levies are submitted to the voters.

Declares an intent to permit school districts with voter-approved maintenance and operation levies to seek an additional approval from the voters, if subsequently enacted legislation would permit a higher levy.
