HB 2110

Brief Description: Changing the deadline for notices of nonrenewal of contracts for certificated school employees.

Sponsors: Representatives Lytton, Dammeier, Frockt, Seaquist, Appleton, Finn, Ryu, Moscoso, Angel, Fagan, Dahlquist, Wilcox, Rolfes, Carlyle, Ladenburg and Hunt.

Brief Summary of Bill

- Provides that if the omnibus appropriations act has not passed the Legislature by the end of the regular legislative session, school districts and Educational Service Districts have until June 15 to send contract nonrenewal notices to certificated employees.

Hearing Date: 5/9/11

Staff: Barbara McLain (786-7383).

Background:

Certificated employees of school districts and Educational Service Districts (ESDs) must be employed under a contract of not more than one year in length. If the employing district determines that the employment contract should not be renewed for the following year, the district must notify the employee in writing on or before May 15 preceding the beginning of the next school year. The notice must be provided in-person, sent by certified or registered mail, or delivered to the employee's home.

However, if the omnibus appropriations act has not passed the Legislature by May 15, then the employing district has until June 15 to provide the required notice of contract nonrenewal. This notice must occur regardless of the reason for the contract nonrenewal, including for reasons of enrollment decline or loss of revenue. If notice is not provided according to these requirements, the employee is presumed to have been re-employed under the same terms and conditions by the district for the following year.

During odd-numbered years, the regular 105-day legislative session ends during the third week of April, generally around April 22 to April 25. During even-numbered years the regular 60-day legislative session ends during the second week of March, generally around March 10 to March 14.

Summary of Bill:

School districts and the ESDs have until June 15 to send contract nonrenewal notices to certificated employees if the omnibus appropriations act has not passed the Legislature by the end of the regular legislative session, rather than if the appropriations act has not passed by May 15.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: The bill contains an emergency clause and takes effect immediately.
