SENATE BILL 5954

State of Washington62nd Legislature2011 1st Special SessionBy Senators Carrell and Hill

Read first time 05/03/11. Referred to Committee on Judiciary.

1 AN ACT Relating to placing certain synthetic cannabimimetics into 2 schedule I of the uniform controlled substances act; amending RCW 3 69.50.204; creating a new section; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. Sec. 1. The legislature finds that synthetic cannabimimetics have been developed for research purposes 6 to 7 investigate the cannabimimetic system. No legitimate nonresearch uses have been identified for synthetic cannabimimetics nor have they been 8 9 approved for human consumption by the United States food and drug 10 administration.

The legislature further finds that the popularity of synthetic 11 cannabimimetics has greatly increased in the United States and they are 12 13 being abused for their psychoactive properties. Products containing 14 synthetic cannabimimetics are marketed as legal alternatives to 15 marijuana and are being sold over the internet and in tobacco and smoke 16 shops, drug paraphernalia shops, and convenience stores. Due to their method of manufacture and high pharmacological potency, synthetic 17 18 cannabimimetics are potentially extremely harmful; for some users, 19 smoking synthetic cannabimimetics for the purpose of achieving

intoxication and experiencing the psychoactive effects has led to emergency room visits and calls to poison control centers. Consequently, placement of the synthetic cannabimimetics listed in RCW 69.50.204(c)(30) into schedule I of the uniform controlled substances act is necessary to avoid an imminent hazard to public safety.

6 **Sec. 2.** RCW 69.50.204 and 2010 c 177 s 2 are each amended to read 7 as follows:
