Staff Summary of Public Testimony:

(In support) Health professionals should be regulated by members of their own professions. Denturists in Washington have higher fees than in other states where they are governed by independent boards. These fees are being driven by disciplinary rates. This bill will help increase efficiency and drive down costs by allowing the BOD to be in charge of disciplining licensed denturists.

(Opposed) None.

Persons Testifying: Representative Morrell, prime sponsor; Carolyn Logue, Eric Hansen, and Paul Robbins, Washington Denturist Association.
