Background:

The Washington Horse Racing Commission (Commission) is responsible for licensing, regulating, and supervising horse racing in the state.

The Commission may collect fines from licensees who violate Commission rules. Receipts from these fines must be credited to the Class C Purse Fund. The Class C Purse Fund also receives one-tenth of 1 percent of daily gross receipts of in-state pari-mutuel machines and is used for purse awards for qualifying nonprofit race meets.

Summary of Substitute Bill:

Receipts from fines must be deposited and retained in the Horse Racing Commission Operating Account and used to support nonprofit racing.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) There is a drafting error in the original bill; money from fines is intended to be for the Horse Racing Commission Operating Account, not the State General Fund.

This is a "housekeeping bill" that cleans up statute to align with the intent of legislation passed in 2011. The money will still be used to support Class C (nonprofit) racing, but stakeholders have expressed that operational support is more important to that end than purse money.

(Opposed) None.

Persons Testifying: Doug Moore, Washington Horse Racing Commission; and Jim Halstrom, Northwest Racing Emerald Downs.
