Staff: Alyssa Ball (786-7140).

Background:

The Washington State Transportation Commission (WSTC) is responsible for naming state transportation facilities, including highways and bridges. The WSTC's policy states: "a naming is done in a thorough and deliberative manner to honor and institute an enduring memory of a person or group of people who have contributed significantly to the well-being of the state or nation and with the widespread support of the people from the area in which the facility is located." In order for the WSTC to consider a proposal, the requesting entity must provide sufficient evidence indicating community support and acceptance of the proposal. This evidence can include a letter or support from the state or federal legislator representing the area encompassing the facility to be renamed. Other evidence that can provide proof of community support includes a resolution passed by other elected bodies in the impacted area, Washington State Department of Transportation (WSDOT) support, and supportive action from a local organization such as a chamber of commerce.

Upon passage of a joint memorial requesting the naming of a facility, the WSTC holds a public hearing prior to taking action. After the WSTC takes final action, the WSDOT designs and installs the appropriate signs.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Summary of Bill:

The WSTC is requested to commence proceedings to name State Route 117 in Clallam County between the junction of State Route 101 and Marine Drive in the city of Port Angeles as the POW/MIA Memorial Highway. Copies of the memorial must be forwarded to the Secretary of Transportation, the WSTC, and the WSDOT.
