SENATE COMMITTEE ON GOVERNMENT OPERATIONS & SECURITY

Staff: Sam Thompson (786-7413)

Background: Taxpayers may seek refunds of property taxes, based on any of several specified grounds. Grounds for refunds include a manifest error in a description of property that is taxed, such as an error in the square footage description of a building. Generally refunds are only authorized within three years after the due date of the property tax. Formerly, a county legislative authority could authorize a refund of property taxes paid more than three years earlier. A 2009 act deleted that authority.

Summary of Bill: A county legislative authority may authorize a property tax refund on a claim filed more than three years after the due date of the payment sought to be refunded if the claim arises from taxes paid as a result of a manifest error in a description of property.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.
