

SB 5008.E - DIGEST

(DIGEST AS ENACTED)

Requires the department of licensing to mark a driver's license or identicard issued under chapter 46.20 RCW, as noncompliant with the REAL ID act, except for those issued under RCW 46.20.202 (licenses and identicards issued for Canadian border crossing).

Prohibits a driver's license or identicard issued with the design features from being used as: (1) Evidence of or as a basis to infer an individual's citizenship or immigration status for any purpose; and

(2) A basis for the criminal investigation, arrest, or detention of that person in circumstances where a person with a driver's license or identicard without these design features would not be criminally investigated, arrested, or detained.

Decreases the cost of an enhanced driver's license and enhanced identicard.
