

SB 5546-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the department of natural resources to: (1) Establish a forest health treatment assessment framework designed to achieve substantial completion of treatment of one million acres of lands by 2033; and

(2) Request the commissioner of public lands to appoint a forest health advisory committee to assist in developing the framework, an assessments and prioritization list, and a report that is consistent with the twenty-year strategic planning process and forest health strategic planning.
