

SB 5661 - DIGEST

(DIGEST AS ENACTED)

Requires the law enforcement officers' and firefighters' plan 2 retirement board to: (1) Study the requirement that members of plan 2 that are veterans make member contributions to the retirement plan for service credit in cases where the member left employment to serve during a specific conflict, but was not awarded a campaign badge or medal; and

(2) Work with the department of retirement systems and the state military department to estimate the number of additional members that could become eligible for service credit without contributions, the number of members that may be eligible for refunds if the policy extended to past service credit purchases, and the costs to the plan that would result from the policy changes.
