

SB 5808-S.E - DIGEST

(DIGEST AS ENACTED)

Requires an agritourism professional to post and maintain warning signs that contain a specific notice which must be placed at the entrance to an agritourism location and at the site of an agritourism activity.

Provides immunity from liability for the injury, loss, damage, or death of a participant, engaging in an agritourism activity, resulting exclusively from the inherent risks of agritourism activities.
