

SB 5838 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes the securing the future of Washington's state parks bonding act.

Authorizes the state finance committee to issue general obligation bonds to provide funds for the provision of needed capital improvements consisting of the predesign, design, maintenance, construction, modification, renovation, expansion, equipping, and other improvement of state buildings and facilities for the parks and recreation commission.

Creates the Evans state parks preservation account.
