

SB 6132-S - DIGEST

(AS OF SENATE 2ND READING 2/14/18)

Requires school districts to select a second grade oral reading assessment which must be annually administered each fall, and if a student scores substantially below grade level then he or she must be assessed at least one more time during the second grade.

Requires each school to: (1) Have assessment results available by the fall parent-teacher conferences and notify parents about the assessment during the conferences;

(2) Inform the parents of their students' performance on the assessment;

(3) Identify actions the school intends to take to improve the child's reading skills; and

(4) Provide parents with strategies to help them improve their child's score.
