

**SB 6143-S.E - DIGEST**

(DIGEST AS ENACTED)

Authorizes a first-class city, second-class city, or town to procure public works with a unit priced contract for the purpose of completing anticipated types of work based on hourly rates or unit pricing for one or more categories of work or trades.

Requires a city or town, whenever possible, to invite at least one proposal from a minority or woman contractor who otherwise qualifies.
