

**SB 6277-S - DIGEST**

(AS OF SENATE 2ND READING 2/13/18)

Creates a graduated reentry program of partial confinement for certain offenders.

Authorizes the secretary of the department of corrections to only transfer an offender from a department correctional facility to home detention in the community if there is evidence-based programming and treatment available, and it is determined that the graduated reentry program is an appropriate placement and requires the secretary to assist the offender's transition from confinement to the community.
