

SB 6403 - DIGEST

Requires the department of children, youth, and families to: (1) Develop, in consultation with the statewide child care resource and referral network and the community and technical college system, a community-based training module for child care providers and entrepreneurs;

(2) Collaborate with the state board for community and technical colleges to align all or parts of the training module with course outcomes identified in early childhood education classes that may be offered by the community and technical colleges; and

(3) Along with the state board for community and technical colleges, integrate training module content in early childhood education curriculum.
