

**SB 6544 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Creates the future of work task force to: (1) Inventory and periodically assess trends and factors that are current or potential drivers of transformation of industries and work in the state;

(2) Identify policies and practices that will help businesses, workers, and communities thrive economically, while responding to rapid changes in technology, workplace practices, environmental and security issues, and global interdependence;

(3) Recommend mechanisms and structures for sustainable industry sector partnerships through which employers and workers can collaborate to support their sector's growth; and

(4) Create a policy framework that supports a talent development pipeline and lifelong learning structure.

Makes an appropriation from the general fund to the workforce training and education coordinating board for the purposes of this act.
