

SHB 1068 - H AMD 87

By Representative Walsh

NOT ADOPTED 02/24/2021

1 On page 2, beginning on line 35, after "(7)" strike all material
2 through "RCW 29A.12.200" on page 3, line 9 and insert "The computer
3 software source code directly related to the state's election
4 management system's cybersecurity protections or countermeasures"

EFFECT: (1) Removes the provision that exempts from public disclosure continuity of operations plans for election operations, security risk assessments, and other election security records. (2) Removes the provision that exempts from public disclosure portions of records that contain information related to election security, operations, and infrastructure. (3) Exempts from public disclosure computer software source code relating to cybersecurity protections or countermeasures of the state's election management system.
