1 Beginning on page 1, line 8, after "(1)" strike all material
2 through "constitute" on page 31, line 9, and insert "By December 1,
3 2021, the department of ecology must submit a report to the
4 appropriate committees of the legislature analyzing the least cost
5 policy options to achieve 4,000,000 metric tons of carbon dioxide
6 reduction annually by the year 2030. Options that the department of
7 ecology must consider in its report to the legislature include the
8 purchase of credits in voluntary carbon markets or carbon markets
9 established in other jurisdictions that denote the reduction or
10 sequestration of greenhouse gases associated with transportation.

11 (2) The report to the legislature must include a ranking of
12 policy options considered, relative to one another, by:

13 (a) Cost per ton of emissions reductions;

14 (b) Immediacy of the reduction of greenhouse gas emissions; and

15 (c) Environmental and racial justice impacts.

16 NEW SECTION. **Sec. 2.** Section 1 of this act constitutes"

17 Renumber the remaining subsections consecutively, correct any
18 internal references accordingly, and correct the title.

EFFECT: Strikes the authority for the Department of Ecology to implement a Clean Fuels Program. Directs the Department of Ecology to study and report to the Legislature by December 1, 2021, on the least cost options to reduce greenhouse gas emissions by 4 million metric tons by the year 2030, and to rank those options by cost per ton of emissions reductions, the immediacy of emissions reductions, and racial and social justice impacts.
