

2SHB 1287 - H AMD 267

By Representative Barkis

ADOPTED 03/03/2021

1 On page 2, line 15, after "convenience stores" insert ", gas
2 stations,"

3 On page 4, line 15, after "infrastructure." insert "The
4 department must identify gas stations, convenience stores, and other
5 small retailers that are colocated with existing and known electric
6 vehicle charging infrastructure identified under this subsection."

7 On page 5, line 15, after "appropriate." insert "To the extent
8 that the mapping and forecasting tool is used by the department as
9 the basis for the identification of recommended future electric
10 vehicle charging sites, the department must consider recommending
11 sites that are colocated with small retailers, including gas stations
12 and convenience stores, and other amenities."

EFFECT: Requires the Department of Transportation's mapping and forecasting tool to identify small retailers that are colocated with existing and known electric vehicle charging infrastructure. Requires the Department of Transportation to consider recommending the siting of electric vehicle charging sites that are colocated with small retailers and other amenities, if the mapping and forecasting tool is used as the basis for identifying future charging sites.
