

SHB 1336 - H AMD 51

By Representative Corry

WITHDRAWN 02/23/2021

1 On page 4, line 1, after "(6)" insert "A public utility district
2 that offers wholesale or retail telecommunications or broadband
3 internet access services, or both, must obtain a franchise from the
4 local governmental agency or agencies where the district has installed
5 facilities, and, if providing wholesale services, must require an
6 entity offering retail services on the district's facilities to obtain
7 such franchise or franchises.

8 (7)"

9
10 Renumber the remaining subsections consecutively and correct any
11 internal references accordingly.

EFFECT: Requires a public utility district that offers wholesale or retail telecommunications or broadband internet access services to obtain a franchise from the local government agency where the district's facilities are located, and if providing wholesale services, must require an entity offering retail services on the district's facilities to obtain a franchise or franchises.
