By Representative Abbarno

**NOT ADOPTED 03/04/2022**

1        On page 8, line 10, after "state." insert ""Distribute" does not  
2 include giving out, providing, making available, or delivering a large  
3 capacity magazine to an immediate family or household member, so long  
4 as the large capacity magazine was present in the state of Washington  
5 prior to July 1, 2022. For purposes of this subsection, "an immediate  
6 family or household member" means (a) persons related by blood or  
7 marriage; (b) adult persons who are presently residing together; or  
8 (c) persons who have a biological or legal parent-child relationship,  
9 including stepparents and stepchildren and grandparents and  
10 grandchildren."

EFFECT:    Modifies the definition of "distribute" to exclude transfers of large capacity magazines between immediate family and household members, limited to large capacity magazines that were present in the state prior to July 1, 2022.
