Background: The Washington State Health Insurance Pool (WSHIP), Washington's high risk pool, provides coverage for:

- individuals ineligible for Medicare who were enrolled in WSHIP health plans prior to December 31, 2013, and individuals ineligible for Medicare who live in a county where non-catastrophic individual health coverage is unavailable; and
- individuals eligible for Medicare who do not have access to a reasonable choice of Medicare Advantage plans and provide evidence of rejection for medical reasons, restrictive riders, an up-rated premium, preexisting condition limitations, or lack of access to a comprehensive Medicare supplemental plan.

The costs of coverage through WSHIP is paid through premiums and assessments on health insurers. WSHIP has approximately 200 enrollees in individual, non-Medicare coverage, and 1100 enrollees in Medicare coverage. After December 31, 2022, individual, non-Medicare coverage will no longer be offered through WSHIP.

Summary of Bill: The expiration date for individual, non-Medicare coverage purchased through WSHIP is eliminated.

Appropriation: None.

Fiscal Note: Available.

Creates Committee/Commission/Task Force that includes Legislative members: No.
