This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not part of the legislation nor does it constitute a statement of legislative intent.

Background: The operating expenses of state government and its agencies and programs are funded on a biennial basis by an omnibus operating budget adopted by the Legislature in odd-numbered years. In subsequent legislative sessions, a supplemental budget is adopted, making various modifications to agency appropriations. State operating expenses are paid from the state general fund and from various dedicated funds and accounts.

Summary of Bill: The bill as referred to committee not considered.

Summary of Bill (First Substitute): The 2021-2023 biennial operating budget appropriations for the various agencies and programs of the state are modified. Budget summary materials can be found in the SCS tab in the committee materials for the public hearing.

EFFECT OF CHANGES MADE BY WAYS & MEANS COMMITTEE (First Substitute):

Various revisions are made to appropriations.

Appropriation: The bill modifies appropriations from various accounts.

Fiscal Note: Not requested.

Creates Committee/Commission/Task Force that includes Legislative members: No.

Effective Date: The bill contains an emergency clause and takes effect immediately.

Staff Summary of Public Testimony on Original Bill (January 11, 2022): *The committee recommended a different version of the bill than what was heard.*
