

WAC 132K-135-040 Statement of jurisdiction. The student conduct code shall apply to student conduct that occurs on college premises, to conduct that occurs at or in connection with college-sponsored activities, or to off-campus conduct that in the judgment of the college adversely affects the college community and/or visitors or the pursuit of its objectives. Jurisdiction extends to, but is not limited to, locations in which students are engaged in official college activities including, but not limited to, foreign or domestic travel, activities funded by the associated students, athletic events, training internships, cooperative and distance education, online education, practicum, supervised work experiences, or any other college-sanctioned social or club activities. Students are responsible for their conduct from the time of notification of acceptance at the college through the actual receipt of a degree or certificate, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. These standards shall apply to a student's conduct even if the student withdraws from college while a disciplinary matter is pending. The student conduct officer has sole discretion on a case-by-case basis to determine whether the student conduct code will be applied to conduct that occurs off-campus.
