

WAC 132Y-100-008 Permits required for employee vehicles in designated lots. Except as provided in WAC 132Y-100-012 and 132Y-100-052 no employee shall leave any vehicle unattended in a designated staff lot, on the campus of the college, without a permit issued by the security office unless such employee is in the process of loading and unloading.

Permits shall not be utilized by any person except the person registered to said permit. The college reserves the right to deny any application, or to revoke any permit at any time, if actions resulting from such application or permission constitute present or imminent danger or unlawful activity, or if a prospective user has previously violated the provisions of these parking policies or other written rules or regulations of the college. Outstanding parking fines must be paid before a parking permit may be issued or renewed.

Parking permits are transferable from vehicle to vehicle when used by the permit holder.

If a vehicle is sold or traded, a new permit will be issued to the permit holder at no additional cost if the permit holder does the following:

- (1) Records the invalid permit number; and
- (2) Removes invalid permit; and
- (3) Brings invalid permit or remnant thereof and permit number to the security office. The security office shall then issue the permit holder a new parking permit.

Students and visitors may park in any lot not designated as staff or car pool, without a permit.
