

**WAC 181-77A-029 Procedures for approval and review of a career and technical education teacher preparation program for candidates applying under WAC 181-77-041.** (1) A prospective provider desiring to establish a career and technical education teacher preparation program for candidates applying under WAC 181-77-041 shall comply with the policy established for program approval and review in chapter 181-78A WAC.

(2) Establish and maintain a representative program education advisory board including career and technical education teachers from the discipline, at least one first-year teacher (if applicable) who has completed the respective program, career and technical education administrators, and industry and/or community representatives.

The purpose of the program education advisory board is to advise, validate, and review the integrity of the respective career and technical education teacher education program.
