

WAC 230-15-365 Getting approval for player-supported jackpots.

(1) Class F or house-banked licensees must not operate a player-supported jackpot (PSJ) before we approve it in writing.

(2) To get a PSJ approved, licensees must make a written request, including, at least:

(a) A detailed description of the card game associated with the PSJ; and

(b) All rules of play; and

(c) All internal control procedures associated with the PSJ and accounting for funds and prizes; and

(d) The name of the prize fund custodian.

(3) Licensees must get our written approval before making any changes to the PSJ.
