

WAC 246-374-030 Submission of plans. The applicant shall submit plans for site and development to the local health officer not less than thirty days prior to the time the applicant must file his application with the issuing authority. The plan shall include the name of the festival, its physical location, dates of operation, the name, address and phone number of the applicant, a list of other individuals responsible for all phases of construction and operation, and shall include the following information:

- (1) Projected attendance at the outdoor music festival.
 - (a) Maximum day attendance.
 - (b) Maximum overnight attendance.
 - (c) Total attendance for the duration of the festival.
- (2) Site characteristics:
 - (a) The area, dimensions, legal description and ownership of the tract of land.
 - (b) Physical characteristics of the site, including but not limited to bodies of water, existing structures, topographical data, current land use of site and contiguous property.
 - (c) Location, and the width of all offsite access roads and on-site service roads.
 - (d) Location of facilities including parking, camping sites, food concessions, medical services, entertainment area, water source and distribution system, sewage disposal, solid waste collection and disposal, bathing areas, communication facilities and administrative accommodations.
- (3) Method and design of water supply and distribution system.
- (4) Method and design of sewage and waste water collection and disposal systems.
- (5) Method and design of toilet facilities, their number and location.
- (6) Method of solid waste collection and disposal, including number and location of containers.
- (7) Method of insect and rodent control.
- (8) Design of food service facilities and information including source, storage, preparation and types of foods.
- (9) Design and location of all facilities providing shelter including overnight accommodations for festival patrons.
- (10) Method of dust control.
- (11) Plan of electrical service, including type, location and number of lighting fixtures, communications facilities and electrical outlets.
- (12) Description of bathing areas and facilities.
- (13) Transportation and facilities for emergency medical service.

No later than fifteen days after the submission of plans for site and development, the local health officer shall either approve or disapprove such plans. Any disapproval shall set forth in detail the specific grounds therefor. The applicant shall have an opportunity to correct the deficiencies as described by the local health officer and to resubmit plans for local health officer approval. Final approval or disapproval shall be given by the local health officer on or before the date set for submission of application to the issuing authority. The local health officer shall accompany any final disapproval with written reasons therefor.
