

WAC 388-97-2560 Lockable storage space in a resident room. The nursing home must provide:

(1) A lockable storage space accessible to each resident for storage of small personal items, upon request; and

(2) **In a new building or addition,** a lockable cabinet space or drawer for storage of personal belongings for each resident bed, in addition to the bedside cabinet.

[Statutory Authority: Chapters 18.51 and 74.42 RCW and 42 C.F.R. 489.52. WSR 08-20-062, § 388-97-2560, filed 9/24/08, effective 11/1/08.]
