

WAC 388-845-1110 What are the limits of behavioral health crisis diversion bed services? (1) Clinical and support needs for behavioral health crisis diversion bed services are limited to those identified in the waiver participant's DDA assessment and documented in the person-centered service plan/individual support plan.

(2) Behavioral health crisis diversion bed services are intermittent and temporary. The duration and amount of services you need to stabilize your crisis is determined by a behavioral health professional and/or DDA.

(3) These services are available in the CIIBS, basic plus, core, and community protection waivers administered by DDA as behavioral health stabilization services in accordance with WAC 388-845-1150 through 388-845-1160.

(4) The costs of behavioral health crisis diversion bed services do not count toward the dollar amounts for aggregate services in the basic plus waiver.
