

WAC 392-164-295 Effect of approval. Approval by the superintendent of public instruction of a project application under this chapter requires the local school district or other subgrantee to administer and operate its project in accordance with its application, any amendments, and project requirements of this chapter. That approval, however, does not create for the local school district or other subgrantee an entitlement to receive a subgrant for a period other than the fiscal year for which approval is given.
