

WAC 478-121-310 Brief adjudicative proceedings—Standard of proof. The applicable standard of proof is the "preponderance of evidence" standard. This means that, in order for a respondent to be held responsible for a violation of this conduct code, the conduct officer must conclude, based on all of the evidence in the record, that it is more likely than not that the respondent engaged in an act or acts of conduct prohibited by this code.
