

**WAC 478-160-175 Credit definitions.** Credit courses are offered either for resident credit or for extension credit.

(1) Most courses offered through University of Washington extension are offered for resident credit, and grades earned in such courses are transcribed as resident credit and are included in the student's resident cumulative grade-point average.

(2) Courses offered through correspondence study, and some other courses, are offered for extension credit. These credits and grades are not included in the resident grade-point average, and students may apply only ninety such university credits toward an undergraduate degree. Extension credit courses are identified by an "X" prefix when listed in catalog material.
