(4) Approval and disapproval process.

(a) Ecology will determine whether the exemption application is complete and will notify the applicant of its completeness determination within 30 days of receipt of the application. Only complete applications will be considered.

(b) Within 60 days of determining that the application is complete, ecology will determine if and under what conditions the exemption will be permitted. The applicant and ecology may mutually agree to a longer time period for ecology's review and evaluation.

(c) During the review period, ecology may request, and the applicant must provide, more information, if necessary, to reach a decision.
