WAC 246-812-517 Respiratory hygiene and cough etiquette. (1) A licensed denturist shall post signs at entrances with instructions to patients with symptoms of respiratory infection to:

(a) Cover their mouth and nose when coughing or sneezing;

(b) Use and dispose of tissues; and

(c) Perform hand hygiene after hands have been in contact with respiratory secretions.
(2) A licensed denturist must provide tissues and no-touch recep-

tacles for disposal of tissues.

(3) A licensed denturist must offer masks to coughing patients and accompanying individuals.
