

WAC 246-815-250 Cooperation with investigation. (1) A licensee must comply with a request for records, documents, or explanation from an investigator who is acting on behalf of the secretary of the department of health by submitting the requested items within fourteen calendar days of receipt of the request by either the licensee or their attorney, whichever is first. If the licensee fails to comply with the request within fourteen calendar days, the investigator will contact that individual or their attorney by telephone or letter as a reminder.

(2) Investigators may extend the time for response if the request for extension does not exceed seven calendar days. Any other requests for extension of time may be granted by the secretary or the secretary's designee.

(3) If the licensee fails to comply with the request within three business days after receiving the reminder, a subpoena will be served to obtain the requested items. A statement of charges may be issued pursuant to RCW 18.130.180(8) for failure to cooperate. If there is sufficient evidence to support additional charges, those charges may be included in the statement of charges.

(4) If the licensee complies with the request after the issuance of the statement of charges, the secretary or the secretary's designee will decide if the charges will be prosecuted or settled. If the charges are to be settled the settlement proposal will be negotiated by the secretary's designee. Settlements are not considered final until the secretary signs the settlement agreement.
