

WAC 246-922-033 Eligibility for licensure. An applicant for licensure or limited licensure must file a completed application and applicable fee, which shall include information and documentation relative to education and training, past practice performance, licensure history, and a record of all adverse or correctional actions taken by another state or appropriate regulatory body, ability to safely practice podiatric medicine with reasonable skill and safety to the consumer, and other relevant documentation or information as the board may require to determine fitness or eligibility for licensure.

(1) Applicants requesting a license to practice podiatric medicine shall have completed one year postgraduate podiatric medical training in a program approved by the board as defined in WAC 246-922-032, provided that applicants graduating before July 1, 1993, shall be exempt from the postgraduate training requirement.

(2) Applicants requesting a limited license to practice in an approved postgraduate podiatric medical training program shall have graduated from an approved school of podiatric medicine and surgery.
