- WAC 296-823-17005 Establish and maintain medical records. (1) You must establish and maintain an accurate medical record for each employee with occupational exposure.
- (2) You must make sure this record includes ALL of the following that apply:
  - (a) Name and Social Security number of the employee;
- (b) A copy of the employee's hepatitis B vaccination status, including the dates of all the hepatitis B vaccinations;
- (c) Any medical records related to the employee's ability to receive vaccinations;
  - (d) The HBV declination statement;
- (e) A copy of all results of examinations, medical testing, and follow-up procedures related to post-exposure evaluations;
  - (f) Your copy of the health care professional's written opinion;
- (g) A copy of the information provided to the health care professional as required.
  - (3) You must make sure that employee medical records are:
  - (a) Kept confidential;
- (b) Not disclosed or reported to any person, without the employee's written consent, except as required by this section or as may be required by law.

**Note:** 1. In some industries, a medical record is also known as the employee health file.

2. You may contract with the medical professional responsible for hepatitis B vaccination and post-exposure evaluation to maintain employee records.

**Reference:** You need to follow additional requirements for medical records found in chapter 296-802 WAC, Employee medical and exposure records.
